

How to Use Geo-Maps of CalFresh PRI by County and Zip Code

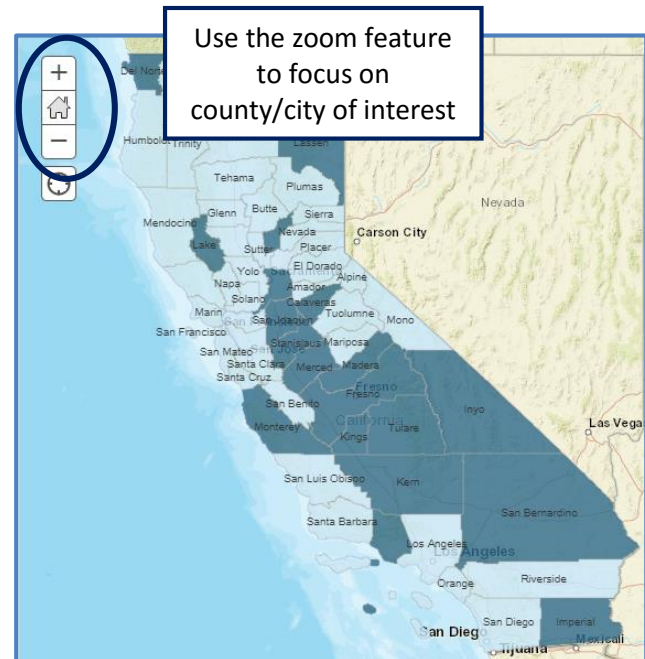

Prepared by the Research Services Branch (RSB)

Click any county or zip code to display PRI values and the associated numbers.

1. The selection menu is on the left side and the map is on the right side of the screen.
2. Clicking the Details button (shown in blue circle) allows toggling between the details menu or having map only displays.
3. Left-click Details anytime to get to the Content pane (shown in red circle).
4. The Contents lists the layers contained in the map. Hover over a layer to view the selection options.
 - a) Click the Change Style  button to change the variable being mapped.
5. Click Legend (shown in orange circle) to see the legend.

Click any zip code to access additional information

The maps may be accessed by clicking the links below.
